Welcome to USD Campus Dining

We know that campus dining serves a much larger purpose than simple sustenance. Whether it is your first meal on campus, or you are a frequent guest, we strive to create memorable experiences and gathering places that foster a sense of community and comfort.

Dining Services is a not-for-profit, self-operated auxiliary that proudly serves the students and campus community. We provide over 2.5 million meals per year, and annually allocate earnings back to the university and students. Our nationally recognized, award-winning dining program includes culinary certified chefs and a variety of unique retail locations, concessions, catering and conference services.

Our culinary vision is to create cuisine that is prepared from scratch using authentic, local, organic and seasonal ingredients. We are dedicated to providing you with delicious food and exceptional services at each and every meal. We are ranked #14 nationwide for Best Campus Food by Princeton Review (2018-19).

We offer menu items that are easily identifiable and include gluten-free, vegetarian, vegan, dairy-free and Halal options to meet the specific dietary and lifestyle needs of every student.
Torero Meal Plans

Torero Meal Plans are designed to provide you with a variety of delicious, nutritious food at a great value. All Meal Plan “meals” provide you unlimited access to Pavilion Dining—at a substantial saving—for dinner every day and brunch on Saturdays and Sundays. Unlimited access means you may return for additional servings throughout the meal period.

Flexibility and convenience are at the core of your Meal Plan. Whether you want a hot breakfast, dinner on the run or a late-night meal, vegetarian selections or a tasty snack, there are options for everyone. Since you may choose from a number of unique campus cafes and restaurants, we make it easy for you to get exactly what you want, when and where you want it!

Students may select the plan of their choice and review status online via the meal plan channel of the MySanDiego portal (within the New Student or My Torero Services tabs).

Before selecting a plan, please carefully review the complete Terms and Conditions online: sandiego.edu/dining

Meals at Pavilion Dining

• Be a part of the USD community, your home away from home, by breaking bread with your fellow Toreros. Meal Plan meals may only be used at Pavilion Dining for “unlimited access” brunch (Saturday & Sunday) and dinner (Monday–Sunday). You may use Cash, Dining Dollars, Campus Cash, Visa or MasterCard for most other food purchases.

• Pavilion Dining breakfast and lunch items are available á la carte Monday through Friday. Payment options for á la carte are: Campus Cash, Cash, Dining Dollars, Apple Pay, Android Pay, Credit Cards.

• Meal Plan guest meals are complimentary! If you would like to treat someone to a meal, just ask the cashier to swipe one guest meal.

• You may view your meal plan balance at any campus dining register or via the MySanDiego portal Meal Plan channel and app.

Retail Dining

• In retail locations you may use the following payments for food purchases: Dining Dollars, Meal Equivalencies (dinner), Campus Cash, Cash, Dining Dollars, Apple Pay, Android Pay, Credit Cards.

• Grocery and non-food merchandise may only be paid for with: Campus Cash, Cash, Dining Dollars, Apple Pay, Android Pay, Credit Cards.
Meal Equivalencies

• An equivalency has a value of $9.01. It may be used once during dinner or weekend brunch hours at any retail dining location (not redeemable at Pavilion Dining or in Tu Mercado for groceries and non-food items).

• Examples: if your food purchase comes to $8.95, one equivalency will be deducted from your plan. The $0.06 will not remain on your plan. If your total is $9.05 you will have one equivalency deducted from your plan and you will owe $0.04. The difference can be paid for with Cash, Campus Cash, Dining Dollars, Visa, MasterCard, Apple Pay and Android Pay.

Dining Dollars

• Dining Dollars are a part of most meal plans. They work just like cash and may be used to purchase a variety of food and beverages at all campus retail locations.

• Dining Dollars may not be used to pay for grocery items (including Torero Table), bulk candy, alcohol, and non-food items.

Campus Cash

1. Campus Cash is a prepaid declining balance account managed through your Torero ID card.

2. You may use it to pay for food and services on campus and at select retailers off campus.
   • Visit sandiego.edu/campuscard for a list of off-campus retailers.

3. Your Campus Cash balance carries forward as long as you have a valid Torero ID.
